

latest

Ready to learn new skills, build your confidence, and create real projects?

Latest TV is now recruiting for our next Business Skills Course:

- Starts: 7th September
- Duration: 12 weeks, 2 days per week
- The Guildbourne Centre, Worthing

This is not a traditional classroom course.

You'll learn by doing, working on real projects and gaining practical experience that can help you move into employment or self-employment. For those that are confused by all the online tools we need to use - we give you confidence to use them and make life simpler.

We focus on getting you a job – getting you a professional CV, professional recruitment materials.

What makes this course different?

Course Structure...

2 days per week in the classroom learning practical online business skills of which...

3 days during the course will be in a professional TV studio, practising your presentation and interviewing skills gaining real industry experience..

Who can apply?

- ✓ Aged 19+
- ✓ English level B2 (conversational)
