## Ready to learn new skills, build your confidence, and create real projects?

**Latest TV is now recruiting for our next Digital Marketing Course:**

- Starts: 24th September
- Duration: 12 weeks, 3 days per week
- The Guildbourne Centre, Worthing

This is not a traditional classroom course.

You'll learn by doing, working on real projects and gaining practical experience that can help you move into employment, self-employment, or further training.

What makes this course different?

- Create your own short film from idea to screen
- Learn social media marketing by creating real content
- Discover how to use AI tools for content creation and marketing
- Gain experience in a professional TV studio
- Build your CV and develop employability skills
- Improve your communication and presentation skills

Course Structure

2 days per week in the classroom learning practical digital, business, and marketing skills.

1 day per week in a professional TV studio, creating content, filming, editing, and gaining real industry experience.

Your completed film will be broadcast on Latest TV, Brighton's local television channel, streamed worldwide.
